Note: proofs for individual brochure entries are not available.

A maximum of 300 words promoting and explaining your event. Brochure copy will be acceptable. We ask that you make the copy as detailed as you can. A description of the show/artist/performers - not just a biography or press release. We reserve the right to edit the supplied copy to suit our audience.

Links for video features (we can link to YouTube).

Links to the show/event website – these can be included as a part of your event listing.

Links to your social media channels.

Reviews or quotes relating to your event/artist/production.

Our preference is to run with 'Early Bird' ticket offers that are negotiated at the point of contract and are launched as the show goes on sale. We will not distribute last minute offers as we feel that these have a detrimental effect on our core audience and upset those who booked earlier at potentially, a higher price.

Please note: The Embassy Theatre reserves the right to edit any copy supplied.

E-shots:

Your show/production will feature in at least one e-shot with some receiving additional targeted output.

We send out e-shots regularly, to those registered with our email marketing system. There are currently, in excess of 23,000 people registered. These are designed with one lead event/main feature listing (chosen at our discretion) and a cross-section of other events scheduled in the coming weeks at the time of the e-shot or announcing a new on-sale. Please note: the e-shot content and frequency is entirely at the discretion of the venue.

We **do not** issue solus e-shots however targeted e-shots are available, allowing us to tailor make the audience and therefore see a better return in your investment. These are £100 + VAT.
