## CONSENT

I understand that the decisions made by Magna Vitae are final. If successful I give permission for publicity/production photographs and video to be taken during rehearsal and at dress rehearsals which will be used for advertising and publicity purposes as well as platform streaming and Magna Vitae theatre's archive indefinitely. I understand that photographs and video may be taken by the audience during the show and posted on social media and I am aware and give permission for this.

Should my child be successful in gaining a part in this production they will make a full contribution to the success of the pantomime by using their talents in dancing, singing, and acting, as directed, within the production. They will attend all rehearsals and performances called for and adhere to all rules and instructions given and all production requirements regarding costumes, makeup, and any other performance related matters.

I understand that responsibility lies with me to seek authorised time-off from my Child's Educator to attend Rehearsals and Performances; I understand that failure to do so will result in withdrawal from the production.

I understand that if successful I will supply own footwear, tights, make-up, and basic dance accessories for my child. I will ensure my child is able to fulfil their own basic wardrobe duties (ie. Getting changed, doing hair etc.) independently and am confident of them undertaking the role without requirement of additional supervision.

I understand what is expected of my child in the event they are successful at audition and accept an offered position to perform.

I understand that my Child will be monitored by a licenced Chaperone at all times for their safety and wellbeing whilst attending Rehearsals and performances. I understand that in the event of a licenced Chaperone not being available I will be required to Chaperone my child – or – withdraw from the production.
